

CLOUD

A COMPANY THAT PROVIDES
SLEEPING CAPSULES

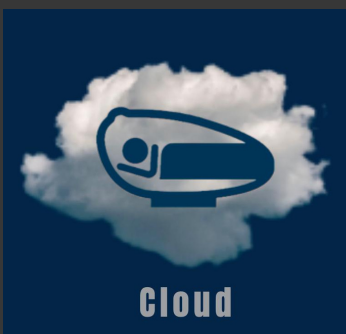

WHO ARE WE?

Cloud is a service working company since 2020. It offers smart sleeping capsules that airport guests use. The technology and surrounding features in our capsules can help our guests to use it for as long as they want.

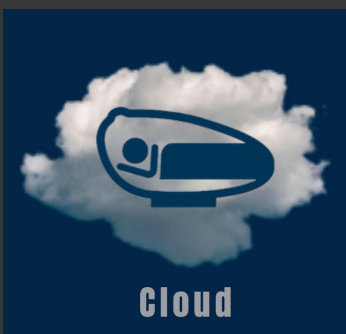

WHAT ARE SLEEPING CAPSULES?

Sleeping capsule is a private space to sleep and relax comfortably without being affected by ambient light and noise

Research has indicated that 20-minute naps can reduce signs of fatigue, boost energy levels, improve focus, boost productivity, improve mood, enhance learning, reduce stress and lower the risk of cardiovascular disease.

MISSION AND VISION

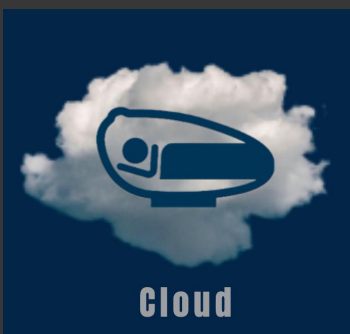

Mission

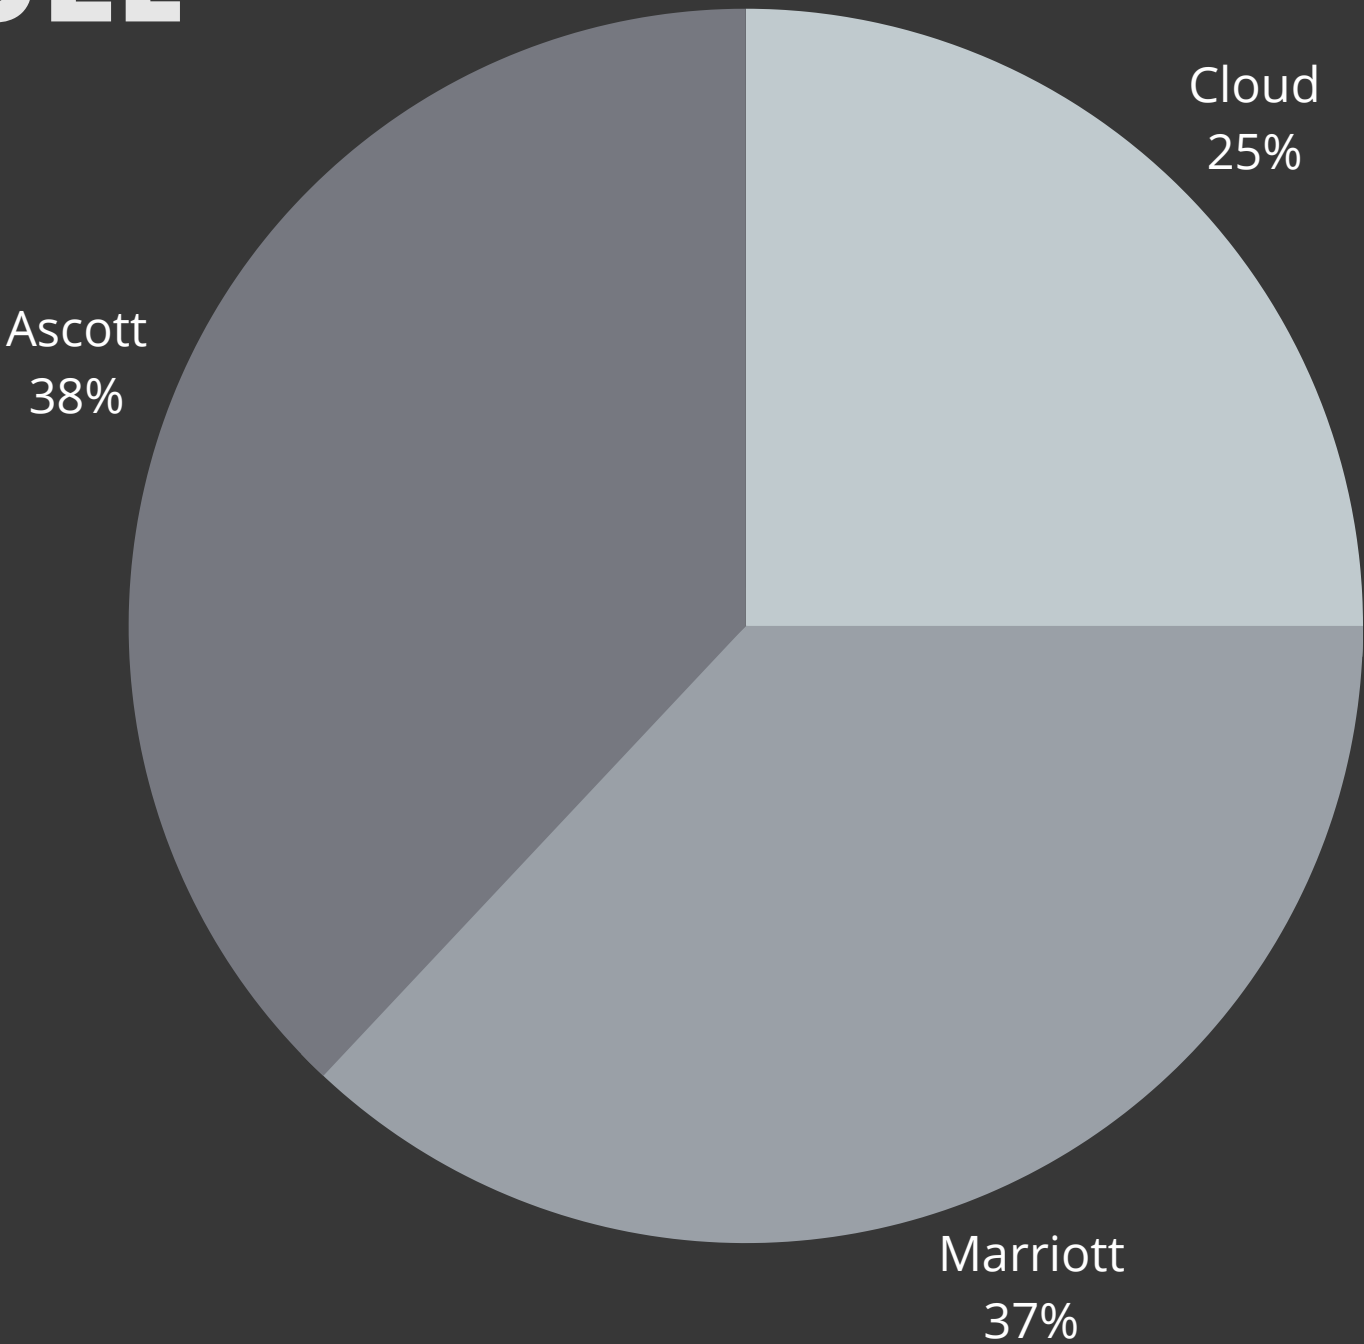

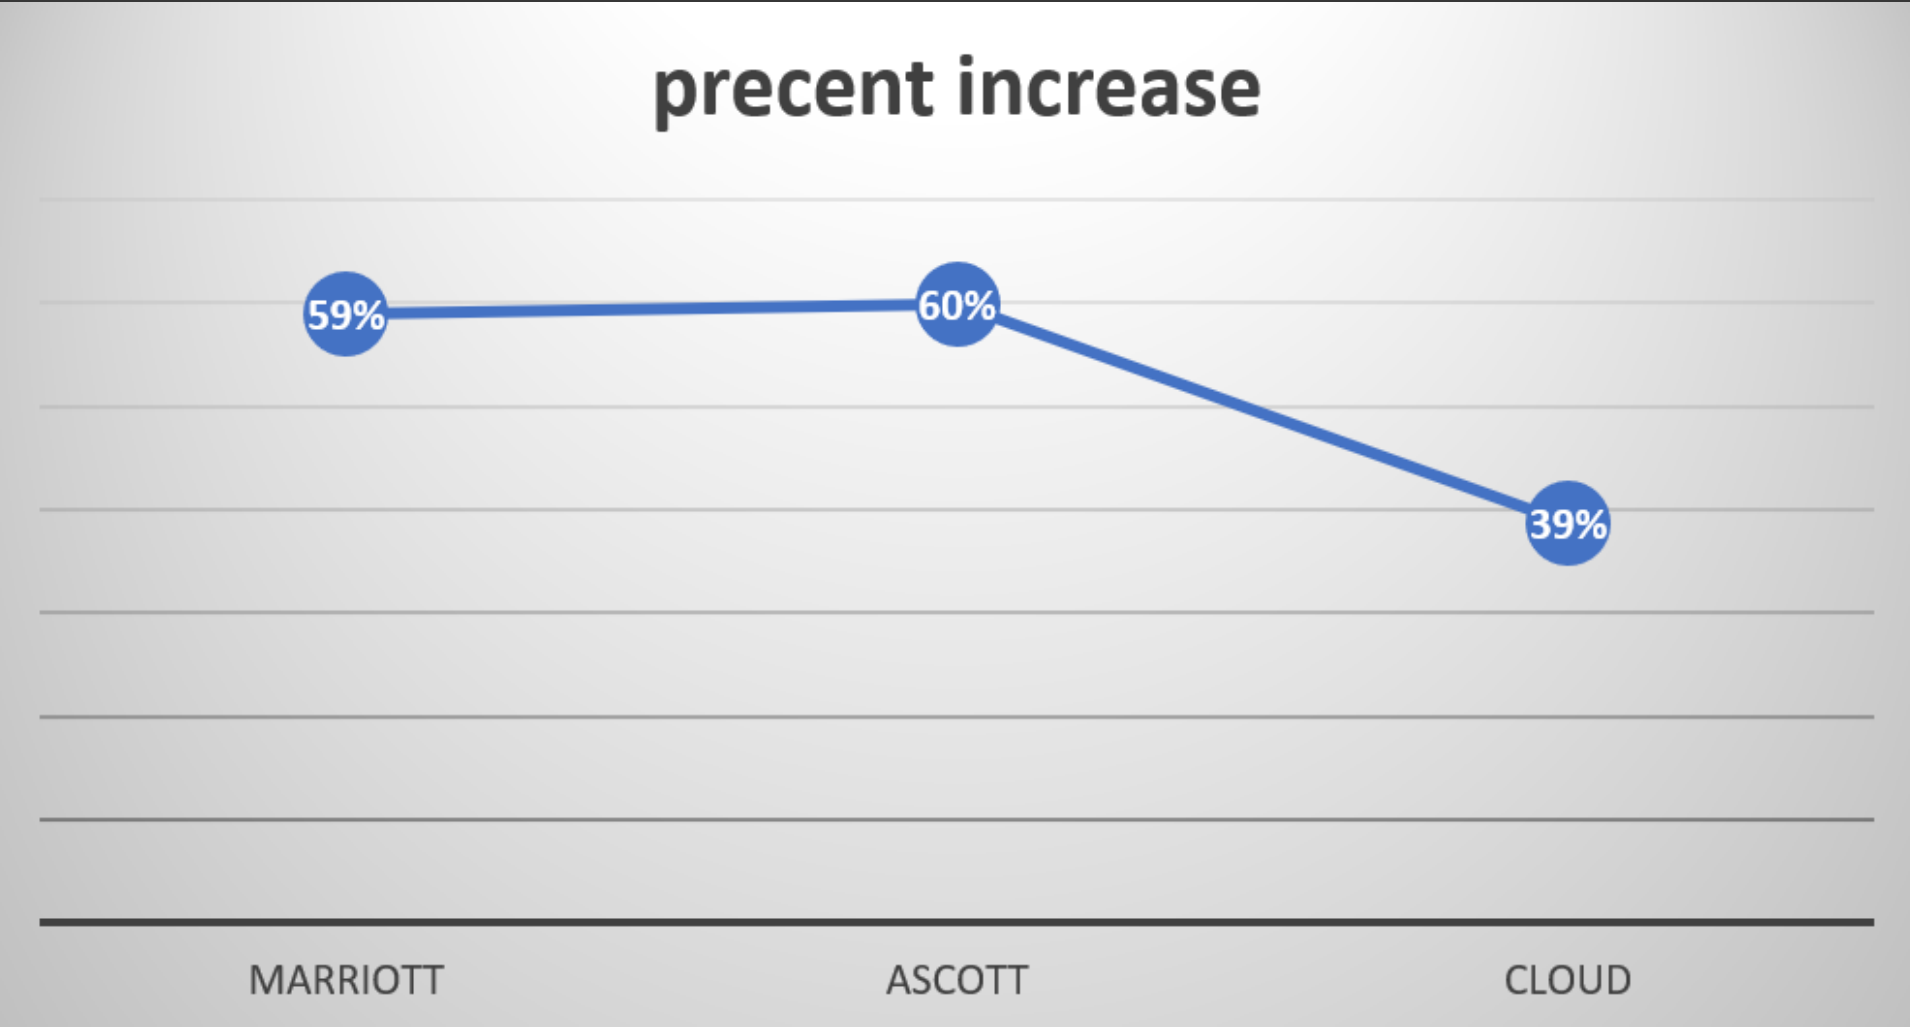

Airport guests can relax and sleep in our comfortable capsules with complete satisfaction. We work hard on our capsules to allow our guests to enjoy the experience with complete comfort.

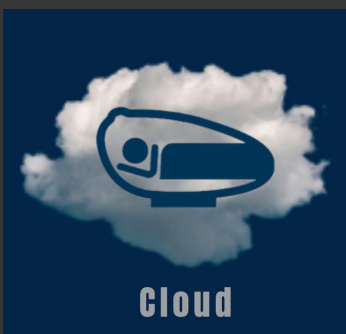

Vision

Our vision is to allow airport guests and employees to experience the most relaxing time off. In the long run, we want our capsules to be all over Saudi Arabia's airports.

COMPARING THE GROWTH UP BETWEEN MARRIOTT HOTEL, ASCOTT HOTEL AND CLOUD CAPSULE

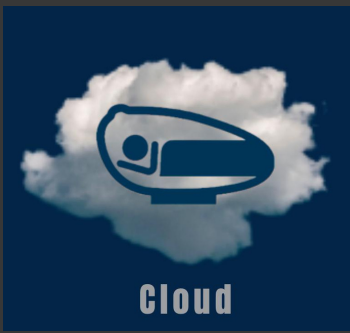

REASON FOR RAISING ADDITIONAL FUNDS

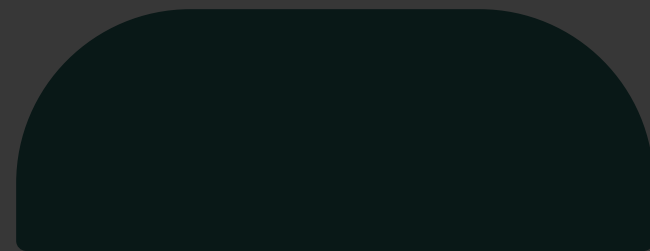

- The cloud capsule will be expanding the scope of its business around the Saudi airports. So, Jeddah airport will be our next station.

- For the future of Cloud company, The needed will be \$750,000 to expand in Jeddah airport and we will return it back through 5 years as a payment period and the interest will be 20% to expand in Jeddah airport.
